social for elderly people will be held in May.

Letters will be sent to Senators Saltonstall and Smith urging them to use every effort to have the section of the bill HR10650 relating to taxation of the mutual fire and casualty companies changed so that it does not discriminate against these companies in favor of stock incurance companies. This action was taken at the request of the Patrons Mutual Insurance Company of Connecticut.

A proclamation from Governor Volpe designating Friday as Arbor Day was read by Earle D. Wilson.

William H. Winslow, treasurer, has received a letter from Blue Cross-Blue Shield stating that the service will no longer be available for Granges. Those members wishing to continue Blue Cross-Blue Shield will have to do so through one of their offices.

A rehearsal for the third degree by the women's team and the fourth degree by the Mattapoisett officers will be held April 29th. The degrees will be worked May 3rd.

Cake and coffee were served by the hosts, Mr. and Mrs. Charles Figueiredo.
